<sup>1</sup> As of Jun 03 2020, Illinois Covid-19 related deaths information was publicly available, by zip codes, only for Cook County. na: This information included a few cases where the death event was registered in Cook County but the deceased resided elsewhere. In these situations, the information regarding deaths here published for those zip codes must be considered incomplete.

<sup>2</sup> Derived via quantiles in Chicago's Covid-19 incidence data. The rate level classifications for zip codes are relative and subject to change as new cases are added.
